Q56 Welcome to the Individual Survey of International Educators portion of The Forum on Education Abroad's 2022 State of the Field Survey!

Responding to demand in our field for new and better data to recruit and retain talent, develop professionals and build capacity, and benchmark job responsibilities and professional pathways, we're conducting the most comprehensive survey of the field we've ever undertaken. Thank you for taking the time to respond to this survey. For more information about the State of the Field survey and to view previous survey results, visit our website.

CONFIDENTIALITY: Your privacy is important to us. The answers provided in this survey are confidential. Only essential Forum staff will have access to the individual survey response data. Any publications or presentations prepared by The Forum will include only information about group data or fully anonymized individual comments in such a way that responses will not be identifiable to any individual institution or organization.
